

**INTERCULTURAL CLUB  
2020**

## UAN Intercultural Club

- The UAN Intercultural Club is a space that promote the interaction, integration, dialogue and communication of the different groups and cultures in UAN community, in order to support each other, to share recreational activities and to know and learn about the different cultural identities in our country.

## UAN Intercultural Club

- The purposes of the UAN Intercultural Club are:
  1. Promote spaces for academic and social meeting between students from different regions, ethnic and cultural identities from our country.
  2. Promote the respect and treatment with dignity of all the people in our university, and the recognition of the existence of other ways of thinking, living and acting.
  3. Support the process of adaptation to the university of students from other regions of the country and other countries.
  4. Create spaces to promote projects, research and intercultural experiences.

## UAN Intercultural Club

Main strategies:

- 1. Support students who come from other regions, particularly those who belong to ONIC.

ONIC: Organización Nacional Indígena de Colombia.

National Indigenous Organization of Colombia : <https://www.onic.org.co>

Some volunteer students of the Club will serve as sponsors for newcomers in order to support them academically and emotionally during the first months of their experience.

## UAN Intercultural Club

2. Take guided tours through Bogotá and other places of tourist interest so that students from other regions of the country or the world know our culture. We will also carry out recreational activities, including sports activities and language clubs, to reinforce students' social networks.
